What does this fund?

RECOVERY

Helping others is the foundation stone of our recovery. Over the years, we've helped thousands of men find a new way of living, regain their families, and secure their place in society. As of 2024, the CDC reported 265,000 drug and alcohol related deaths in the United States, averaging 30.25 deaths per hour. They need us out there, they really do.

COMMUNITY

Partnering with local schools, we provide Thanksgiving meals and Christmas presents to hundreds of families in need. We personally select, wrap, and deliver toys, clothing, household essentials, and food to help alleviate the burden of struggling families. We also distribute thousands of bags to aid the homeless. Containing hygiene kits, socks, food, essential supplies, and most importantly Narcan to help prevent drug overdoses.

SERVICE

There's no greater reward than witnessing service well done. With Amor Ministries we have constructed over 25 houses for families in Mexico. These families previously resided in dilapidated shacks made of various materials. Each house built offers safety, security, and leaves an indelible mark on generations of families.

Who are the Knights?

The Knights of the Round table is a 501(c)(3) Nonprofit whose mission is to lead Alcoholics and Addicts to a new way of life through service and recovery. Brian Ong founded The Knights in 1995 with the vision of helping men further their spiritual development through humility, charity, integrity, and service to others.

Service to others is a core value of The Knights and throughout the year we participate in many service projects both inside and outside of our immediate communities.

Who is Brian Ong?

Brian Ong sponsored countless men within the recovery community in his 18 years of sobriety, passing away at the young age of 51. This Golf Tournament honors his memory.

His legacy lives on in The Knights, and our continuing commitment to helping others has a daily impact on thousands of men and women today.

Your participation in the Golf Tournament and donations make it possible for The Knights to continue helping alcoholics, addicts and families in need.

Thank you for your generosity!

"When you're gone, no one will remember what kind of car you drove. But if you help enough people find God, they'll remember you forever" – Brian Ong
